Dear Dr. Scherer -

I had planned to send you a separate email today regarding the other two proposals. Please go ahead and prepare draft project agreements for each and forward to my attention. As with the revised agreement you sent today, please provide as Word documents.

Thank you in advance. Please let me know if any questions.

Kind regards,
Valerie

Dear Valerie,

thank you for your e-mail of yesterday. I have revised the Project Agreement 5 (Cross-Validation Study) as you had suggested. I send it attached as a Word Document.

Shixia Feng wrote me that you will contact me on the project agreements on alkylvaline-Hb adducts and biomarker for crotonaldehyde. Is there any progress in these projects?

I am looking forward to hearing from you

best regards

Gerhard Scherer
